DUBAI HUMANITARIAN

Founded in 2003 by His Highness Sheikh Mohammed bin Rashid Al Maktoum, Vice-President and Prime Minister of the United Arab Emirates and Ruler of Dubai, through the merger of Dubai Aid City and Dubai Humanitarian City.

Dubai Humanitarian is the only non-profit, independent, humanitarian free-zone Authority hosting a community of around 80 members comprised of UN organisations, non-profits and non-governmental organisations, in addition to commercial companies. The International Humanitarian community in Dubai consists of about 500 people representing more than 68 nationalities.

In 2011, Dubai Humanitarian was relocated into its current strategic location near Al Maktoum Airport and close to Jebel Ali Port, by tripling its size from the previous 30,000 square meters to 90,000 square meters and giving members the ability to move shipments from sea to air in as little as 10 minutes.

Today, Dubai Humanitarian offices and warehouses have further expanded to 150,000 square meters in size.

Dubai Humanitarian together with its community is continuing its journey by preparing itself for any new challenges, creating new synergies and partnerships with innovators, in addition to partnering with private sector players operating with high-level standards. Dubai Humanitarian is also partnering with academic institutions, to share knowledge and experiences to create opportunities for preparing the future generation of humanitarian workers.

Our Pillars

LEAD

Dubai Humanitarian leads the development of an intergovernmental network of humanitarian hubs through a unique approach to collaboration and ecosystem creation.

INNOVATE

Dubai Humanitarian leads the proactive innovation initiatives of the humanitarian landscape by mobilising resources and activating networks to enable sustainable emergency preparedness and response, for a better environment for people and planet.

PARTNER

Dubai Humanitarian strongly supports its partners to provide aid and networks for global sustainable humanitarian action. Dubai Humanitarian is aligned to the fundamental principles of the UAE and its humanitarian purpose of collectively helping others.

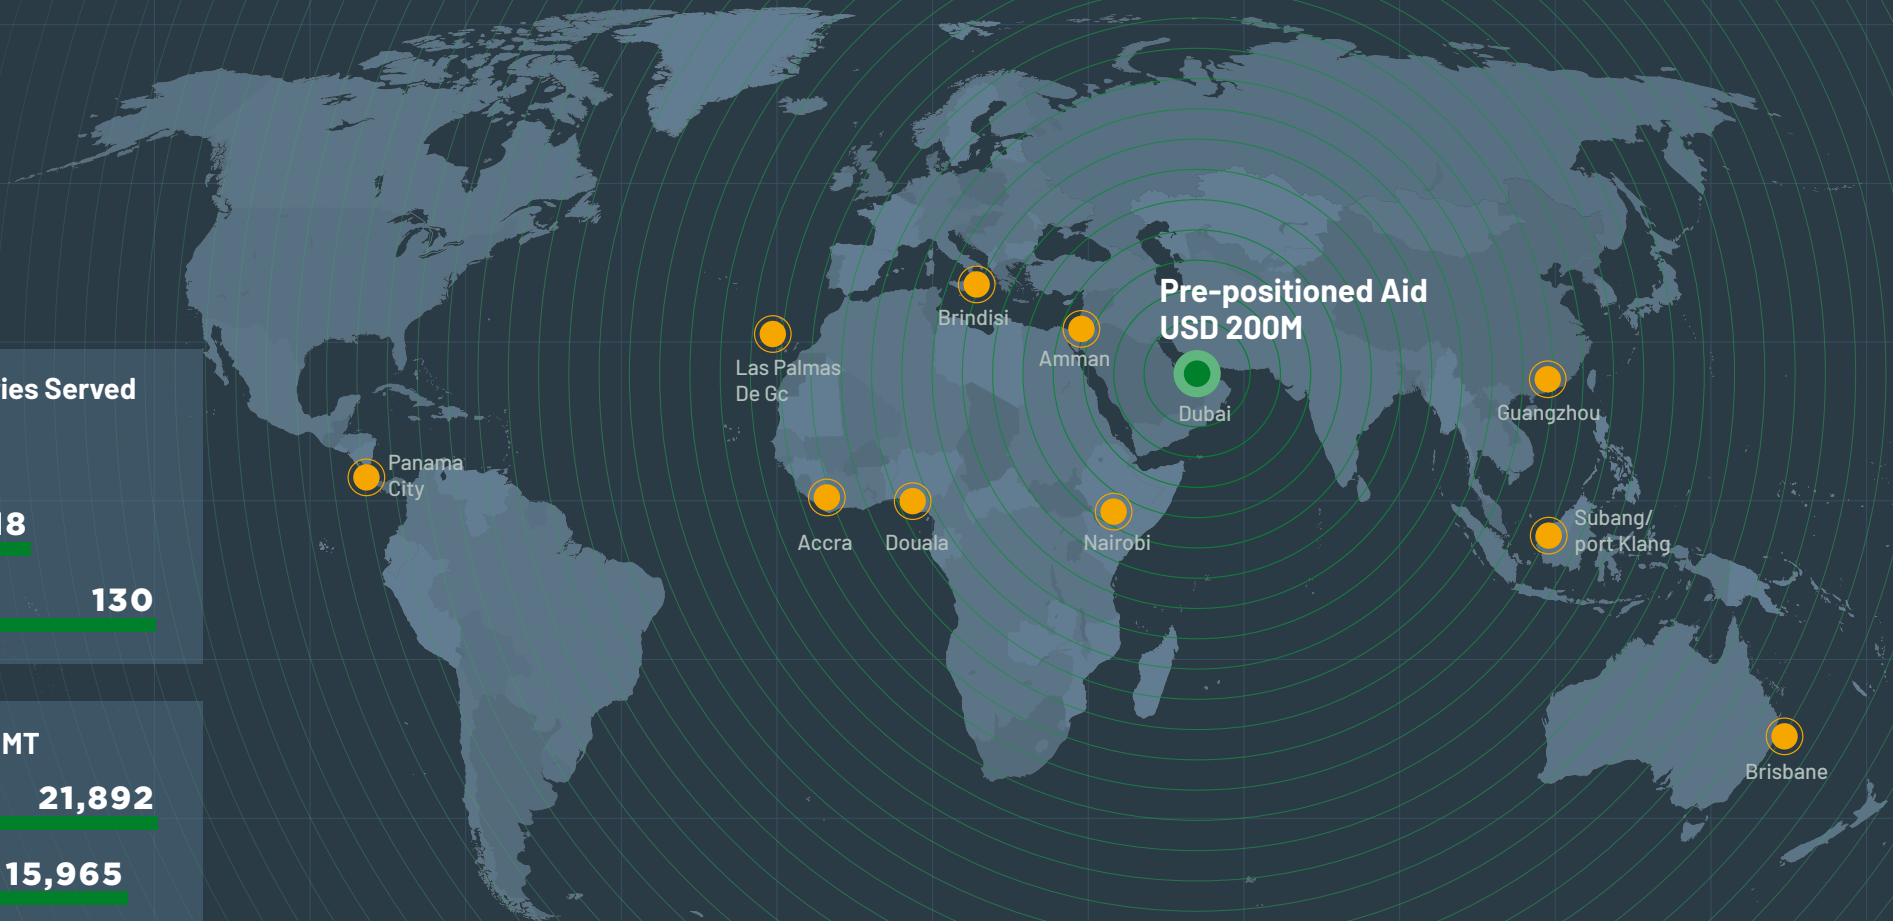

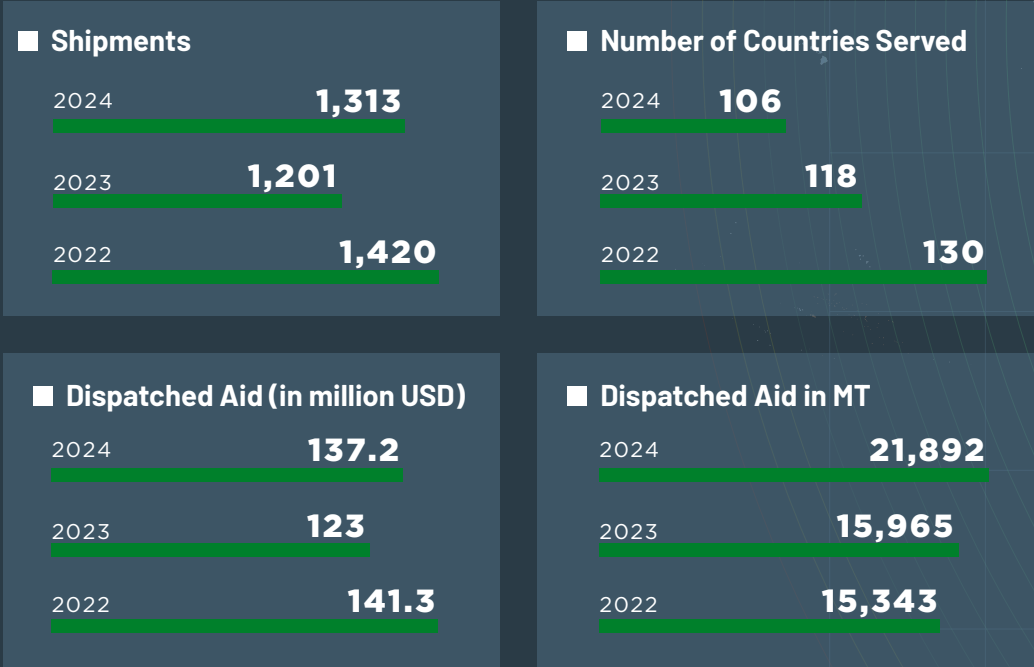

CONNECT

Dubai Humanitarian is geographically connected to the heart of global humanitarian action, through its networks and knowledge-sharing initiatives.

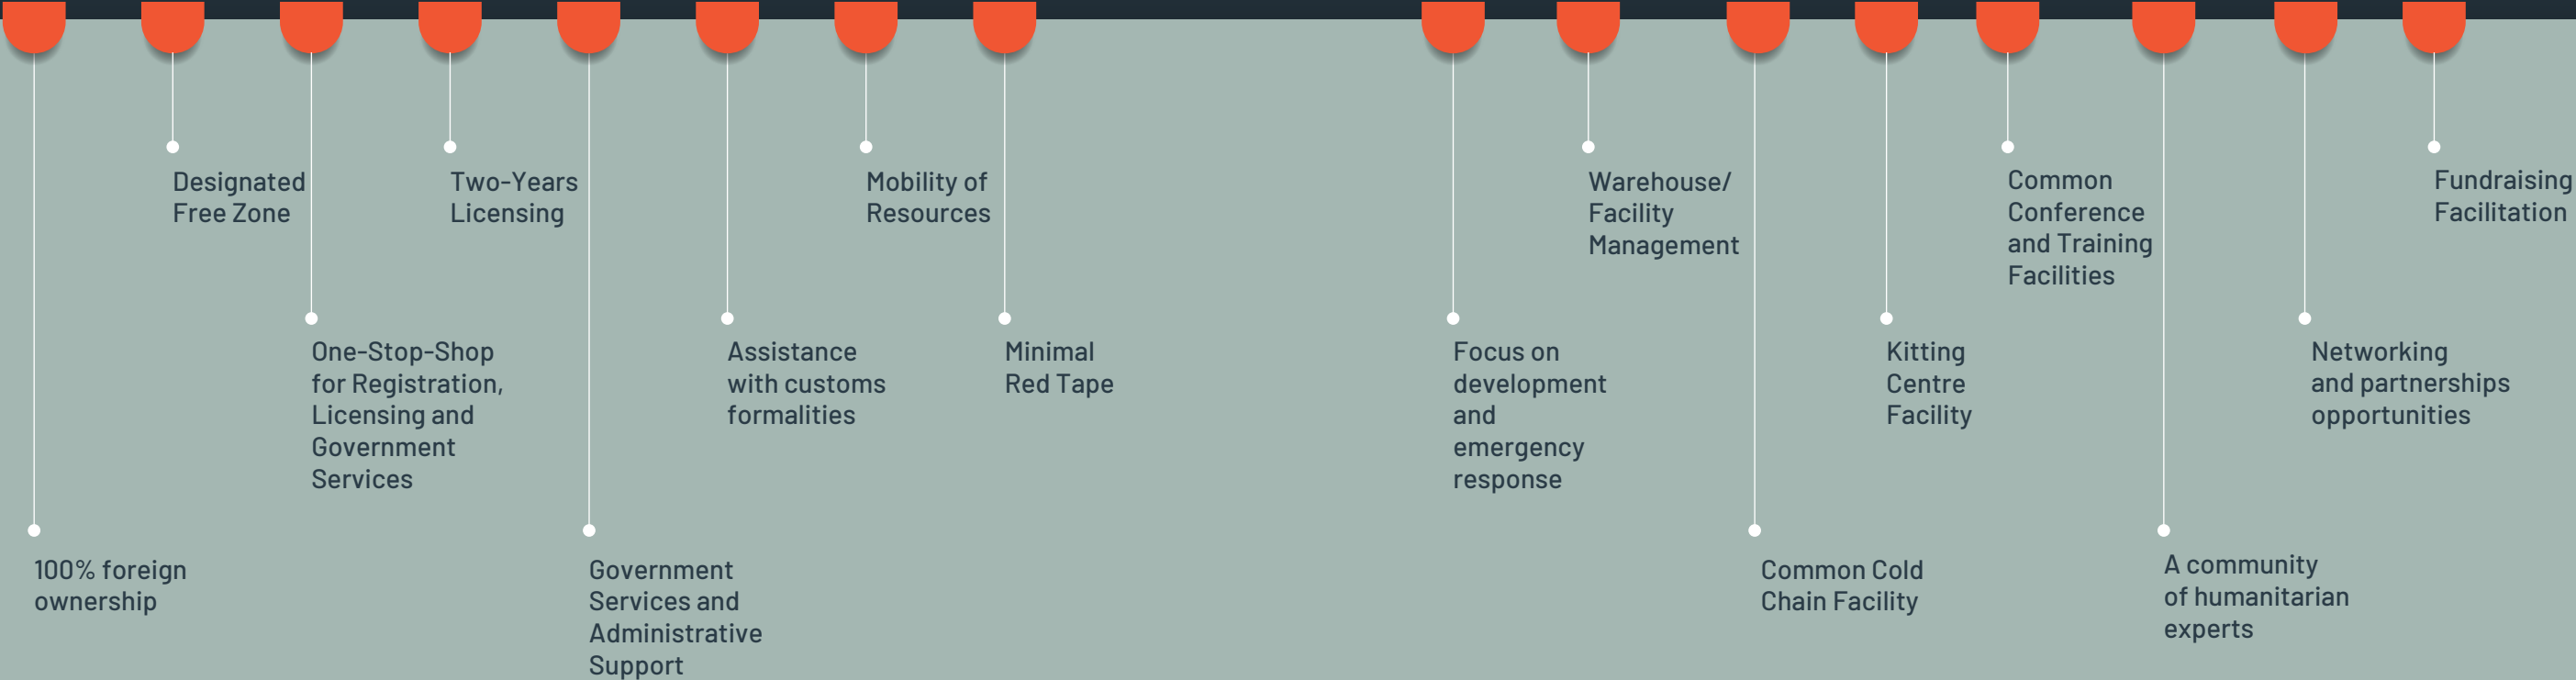

Global Safety Net

Aligned with its vision as “The Pioneering Humanitarian Hub,” Dubai Humanitarian is taking a leading role in developing a global network of intergovernmental sister humanitarian hubs: **a Global Safety Net.**

Innovation

Registration & Licensing

Dubai Humanitarian is an independent free zone authority where humanitarian organizations and commercial companies can register and obtain licenses. It fosters an ideal environment for collaboration, promoting humanitarian responsibility within a well-defined legal framework. Additionally, manufacturers and suppliers of goods and services to humanitarian agencies can register and become part of the Dubai Humanitarian community.

Fundraising Approvals

Licensed humanitarian organizations within Dubai Humanitarian are primarily eligible to conduct fundraising activities in Dubai. However, all fundraising initiatives require prior approval from related government authorities.
