

Dubai Humanitarian

Environmental Policy

Dubai Humanitarian is committed to protecting the environment and promoting sustainable development by integrating sound environmental practices into its activities, services, and operations. The organization is dedicated to minimizing its environmental impacts while supporting environmental objectives and sustainable development goals.

Dubai Humanitarian Management is committed to:

- Protecting the environment, including preventing pollution and managing environmental aspects in a responsible and sustainable manner.
- Promoting the sustainable use of resources through efficient consumption of energy, water, and materials, while implementing initiatives that support climate change mitigation and adaptation, and contribute to the protection of biodiversity and ecosystems, where applicable.
- Fulfilling all applicable legal, regulatory, and other compliance obligations relating to environmental management.
- Establishing, implementing, monitoring, and reviewing environmental objectives that support the organization's strategic direction and continual improvement.
- Continually improving the effectiveness of the Environmental Management System (EMS) to enhance environmental performance.

Dubai Humanitarian shall establish and periodically review measurable environmental objectives and targets consistent with this policy and ensure that adequate resources are provided to achieve them.

This Environmental Policy shall be communicated to all employees, contractors, and other relevant interested parties and made publicly available through Dubai Humanitarian's website and notice boards. The policy shall be reviewed periodically to ensure its continuing suitability, adequacy, and effectiveness.
